

South Florida Fair 2015

This year for 2015 the South Florida Fair “Church at Gate 5” is all new. The fair doubled the size of our area for this year giving us room for several more buildings. Along with the POD for clothes and a portable garage, we have an additional portable garage for medical (with doctors & nurses) and room for a couple of extra RVs and a couple of pop up tents for shelter. If you have any interest in serving,
