

# ABOUT FLORIDA CAMPERS ON MISSION

**BUILDING PAVILION AT YOUTH CAMP**

**MISSION BOOTH AT FAIR**

**The Florida Campers on Mission (ELCOM) is one chapter in the national Campers on Mission Organization. We are a national fellowship of Christians sharing Christ as we serve in various ways. Florida has a cooperative relationship with the Florida Baptist Convention. Membership is open to all practicing born again Christians who love camping and want to get involved in mission work and share Jesus while camping. There are no membership dues.**

**You get to choose the project the Lord puts on your heart and how long you feel led to serve on that particular project. We get to choose projects where we wish to serve. Some project we work with other Campers on Mission members or other Christian RV groups. We start each morning out in prayer and devotions together. "For where two or three are gathered together in my name, there am I in the midst of them. Matthew 18:20."**

**As members of Florida Campers on Mission, you have the opportunity to actively work with other Christian campers nationwide on mission projects of various types. We serve directly and indirectly in children / youth camps / conferences centers and Bible colleges. The men serve in maintenance and repair like painting, electrical, plumbing, general construction, and yard work. The ladies serve in many areas such as house keeping, painting, laundry, yard work, cooking / serving, sewing, administration. Everyone serves where they are needed. "Here am I send me. Isaiah 6:8"**

**We serve at fairs / festivals in missions booths and minister to the visitors. We make and give out witnessing bracelets, animal balloons, face painting and a test your Bible knowledge board. Some members scan tickets and are greeters at the fair buildings, which allows us free space for the mission booth. Other fairs / festivals we minister to the carnival workers by cooking / serving food and giving out clothes that churches in the area donate. Remember we get to share Christ "AS WE GO"**

**Other ministries are building new church buildings and additions, church repairs, campground ministries, church starting and strengthening, teaching Bible studies and Vacation Bible School, seaport ministries, races way ministry, resort areas, and any area that needs ministry support. Some opportunities are shown on the "ACTIVE PROJECTS" button on the main menu. These and others projects can be located under the sub menu.**

**Our chapter holds one statewide rally each year. It is usually held in October or November. (Beginning 2020, we will have only a fall rally. At this rally campers get to meet other campers, share experiences, learn new mission related skills, learn of new mission opportunities and get involved in organizational operations. We also hold regional “mini rallies” to enable campers to meet their wagon master and other members who live in their region. Each region has its own Christmas party.**

**Florida Campers on Mission is divided into 4 regions. Each region has a Wagon Master elected to oversee and organize their particular area. For more information about Florida Campers on Mission, click on “COM LEADERSHIP” button on main menu. Also below it "2020 region Wagon Masters" to see what region you are located in. We would be delighted to share the tremendous opportunities available to you within the Florida Campers on Mission.**

**For a membership application form just click “COME JOIN US” on the HOME page.    UPDATED 05 21 2020**
